Double Knitting

katie clark ~~crochet~~ *Knitting!*

Learn Double Knitting with this simple scarf pattern!

Difficulty
Intermediate ● ● ● ○

Materials
Worsted weight yarn; 1 ball each of coordinating colors. **4 MEDIUM**

US Size 7 Needles

Tapestry needle

Gauge
Not critical

Repeat across once

- ☐ RS: K Color A, P Color B
  WS: K Color B, P Color A
- ⬝ RS: K Color B, P Color A
  WS: K Color A, P Color B
- ⟋ K A and B together
- ∨ With yarn in front, slip stitch purlwise

Before You Begin

You will be making a two color design that is knit with one color for the background and another color for the dots. The opposite side will be knit in reversed colors. There is no "wrong side." Therefore, yarn should be marked as "Color A" and "Color B." The pattern refers to the "background" color and "dot" color according to the side you are currently viewing.

Also, when moving yarn front to back and back to front, *always move both colors together as one.*

Cast On

Holding 2 colors tog as one, cast on 27 sts. You will have 27 sts *of each color,* 54 sts total.

Set Up Row

K first two sts tog (one of each color). Wyib K color A in it's own color loop. Wyif P color B in it's own color loop. If color A isn't the first loop, use your right needle to lift it over and in front of the color B loop.

Repeat across always alternating knitting color A and purling color B. End with color B, leaving last 2 sts.

Wyif sl last 2 loops as one purlwise. Turn.

Body

Row 2: K first two sts tog as one. *K color B, P color A* across to last 2 sts. Wyif sl last 2 loops as one purlwise. Turn.

Row 3: K first two sts tog as one. *K color A, P color B* across to last 2 sts. Wyif sl last 2 loops as one purlwise. Turn.

Row 4: Repeat Row 2.

Row 5: K first two sts tog as one. (K color A, P color B) twice. *To change color, reverse sts: K color B, P color A once. Reverse to change to background color again: (K color A, P color B) nine times. Repeat from * once. K color B, P color A

once. (K color A, P color B) twice. Wyif sl last 2 loops as one purlwise. Turn.

Continue diagram, alternating K and P across and reversing colors as you come to a color change. Repeat diagram rows 5-14 until scarf is desired length.

Repeat rows 13 & 14 once more.

Bind Off

Using color A *only*, K tog color A and B as one. K in this manner across, binding off as usual. Weave in ends. ⚭

Abbreviations

K = knit
P= purl
sl = slip
st(s) = stitch(es)
tog = together
wyib = with yarn in back
wyif = with yarn in front
